Greeting from Red Wolf country,

A new semester is about to be underway, and the students are set to move in on August 17th. For MBSF that means there will be a big push in the first few weeks to meet as many new students as possible, and welcome back those who have been with us for some time. This will include welcome week activities, as well as participating in some on-campus activities.

Over the summer we attended several new-student orientations, and made connections with several young adults. During the month of October, there will be a college-age ministry retreat at Budd Creek. If you have a college-age ministry at your church and would like to attend, feel free to reach out. The semester is already starting to fill up with this and many other activities.

Also, this semester the lesson topic will be "Gospel Conversations." We will be looking to the ministry of Jesus as He shared His message to various people in the New Testament. We will be looking at those who accepted that message and those who wanted nothing to do with Him. We will also be having different people share what God has done for them in their lives.

Please continue to pray for these students as they seek to begin this semester strong. Pray for new students to be part of this great college ministry. If you know of a college student attending ASU, please feel free to reach out. My number is listed.

Finally, thank you for your continued support for the MBSF college ministry at A-State. You are a great blessing for your continued support.

Brad Parker
(Associate Pastor Grace MBC)
