World Missions Focus at the ABA

I was again honored to coordinate the World Missions Focus at the ABA. The theme this year was More & More. Bro. Joe Morell spoke on the numerous mission fields (both foreign and domestic) that the Lord has and is using our association to reach. What a great work to be involved in! He also laid out the challenge and need to reach More fields, particularly those with little-to-no access to the gospel. Then Bro. Scott Bourland spoke on the need for More laborers to go and serve on those fields. We concluded with a time of prayer. May God give us More & More for His glory!

Moving to Flatwoods

As I mentioned in our last report, we will be moving to Mt. View, AR to work more closely with Flatwoods MBC as the director of Missionary Training Ministry (MTM). They will be our sending church. To be clear, we will still be on mission support and truly hope that all of our partners in ministry will make this transition with us. (The address for sending support is below.)

In fact, the ministry expenses (not my salary) related to MTM are increasing. I plan to give some more details concerning the ministry of MTM and what we do in addition to the regular training modules next month (and some of what we hope to be able to do in the near future), but the bottom line is our mission is to help the missionaries and their sending churches to be as equipped and encouraged for fulfilling their calling as possible. It is our honor to assist those who are answering God's call to "Go into all the world and preach the gospel"!
