MISSIONARY EDGAR RUBIO AUGUST 2024 REPORT

FINACIAL REPORT By Mike Mee

From October 8 to 11, we will have a camp of our churches at Camp Horeb. If you want to participate you can contact us. Please pray that we will have a good time of worship, fellowship, and spiritual edification.

Thank you all for your support of this project.

Let us pray for:

- The "Towards a Life with Purpose" Camp at Camp Horeb (Guamo, Tolima, Colombia) from October 8 to 11, 2024.
- For provision for the School of Sowers, EESI; Your support is very important.
- For the churches in Colombia and for the work of the association.
- For my daughter Tatiana, her baby (she is a girl) and her spouse; and the new life they are starting in United States.
- Pray for my family and for the ministry we are developing.

"Therefore, my beloved brethren, be steadfast and steadfast, growing in the work of the Lord always, knowing that your labor in the Lord is not in vain."

1 Corinthians 15:58

With love

His missionary Edgar Rubio.

From Mike Mee

On 9/23/24 we were able to send the final payment (\$3000) for the land where we plan on building a church in the town of Guamo.

Also \$1000 was sent to pay an engineer who was contracted to design the plans for the church building in Guamo and for construction permits.

As of 9/23/2024, **\$139,850.00** has been sent for the construction of the church camp in Guamo

In January we purchased property located in a strategic place in Guamo where we can build a church and the study rooms for the School of Sowers. The purchase price was \$ 24,000 dollars. In late May we payed off the first lot and purchased a second adjacent lot for \$24,000.00. Now that **BOTH LOTS** have been **PAYED OFF**, we will begin preparation to build the new church building.

IF YOU WISH TO HELP IN THIS BUILDING PROJECT, DESIGNATE CHURCH IN THE MEMO LINE

Please be in prayer for the Sower Training School to train church planters/missionary's in Guamo. These classes will require the students to live in Guamo to receive the instruction and also to go out into the surrounding communities to put their training into action. The cost per student is \$200.00 per month. The students are Nathaly, Danny and Juan.
